Now available online – the definitive guide to the new FSA regime

**Butterworths Financial Regulations Direct** is the online service that you cannot do without. Recently relaunched to provide you with a comprehensive, authoritative reference to the new Financial Services Authority regulatory regime, it provides currency, depth and practical guidance.

The service contains all the coverage of the new regulations you could possibly need, plus source material, daily updating and added commentaries. Divided into relevant subject areas to allow easy navigation and access, the additional materials and commentaries will ensure you stay up-to-date with the latest developments.

## What you'll get when you subscribe to Financial Regulations Direct:

- Daily updating and added commentaries – delivering even more comprehensive and up-to-date coverage than the current service
- User-friendly functionality, with searching and hypertext links unmatched by competitors
- All the guidance you need to the expanded regulatory regime introduced by the Financial Services and Markets Act 2000
- Related regulatory materials, including the FSA Handbook
- A completely restructured and updated service, reflecting the changes in the new regime
